

# Male Hair Loss Clinical Trial

Are you one of the millions of men between the ages of 18-40 suffering from male pattern hair loss?

## Seeking participants for a new clinical trial.

Qualified participants will receive an investigative treatment with a novel device and medication at no cost.

To determine if you meet the study criteria, please contact your local site at the number below. Speak to a representative or leave a message with your name, a phone number, and mention the *male pattern baldness study*.

We will follow up with a short survey to determine eligibility and provide additional details.

Call today to find out if you're eligible.
