Boston Magazine Selects 9 Specialists from SkinCare Physicians as Top Doctors

Once again multiple SkinCare Physicians' dermatologists made Boston Magazine's 2013 Top Doctors list

Chestnut Hill, Massachusetts – January 6, 2014 – This is the time of the year when people seeking a highly qualified [dermatologist in the Boston-area](#) can consult the *Boston Magazine's* annual healthcare issue. Of the 19 dermatologists listed in the 2013 compilation of Boston's Top Doctors, eight are from SkinCare Physicians (www.skincarephysicians.net). This honor was awarded to Drs. Kenneth Arndt, Jeffrey Dover, Michael Kaminer, Kay Kane, Tania Phillips, Thomas Rohrer, Jeffrey Sobell and Robin Travers. In addition, SkinCare Physicians' Dr. Katrinka Heher was also listed among the Top Ophthalmologists.

The [Boston Magazine's December issue](#) showcases 650 physicians in 50 specialties. The goal is to assist consumers in finding doctors who are best qualified to meet their needs. For its compilation of Boston's best physicians, the publisher teamed up with Castle Connolly Medical Ltd, a health care research company that evaluates tens of thousands of peer-nominated doctors throughout the medical community. The company carried out a careful screening of physicians' educational and professional experience before a final selection was made among those doctors most highly regarded by their peers.

"It is a wonderful honor to have so many of our dermatologists selected," Dr. Arndt says. "I'm very proud of the fact that many of our doctors have appeared on the annual *Boston Magazine's Top Doctors* list for more than a decade! Year after year, we are recognized as innovators and leaders in cosmetic and laser surgery, as well as general dermatology. Recognition of the nine excellent physicians in the Boston's 2013 Top Doctors issue will help more people learn about our highly skilled specialists and our state-of-the-art practice."

SkinCare Physicians is committed to providing the best possible and latest dermatology care in New England as evidenced by the high number of its physicians named to the Top Doctors list of *Boston Magazine*.
