SkinCare Physicians Hosts Educational Event in Boston for Those Curious About the Latest Cosmetic and Medical Advancements in Skin Care

Chestnut Hill, Massachusetts – April 17, 2014 – SkinCare Physicians, a dermatology practice in the Boston area, will host an educational event, *Leading the Way in Skin Care*, on Saturday May 10, 2014, from 8:15 am to 12:00 pm, for those interested in learning more about the latest medical and cosmetic advancements in skin care. The event, which will be held at the Four Seasons Hotel in Boston, will provide guests with an opportunity to get introduced to SkinCare Physicians' renowned dermatologists (<http://www.skincarephysicians.net/physicians/index.html>) and their innovative cutting-edge services.

"*Leading the Way in Skin Care* is a wonderful opportunity for women and men in the Boston area to learn everything they ever wanted to know about skin and skin care, but never dare to ask," said Dr. Jeffrey S. Dover, M.D. a founding partner of SkinCare Physicians. "We have designed this exciting event with ample time for our guests to get answers from our specialists to their most pressing dermatology questions," added Drs. Arndt and Kaminer, two other founding partners.

During the informative event, guests will hear about hot topics in medical and cosmetic dermatology, from new devices for non-surgical body sculpting and advances in filler techniques, skin tightening and Botox®, to latest cutting-edge treatments for skin diseases and scars, and much more.

In addition, guests will be able to meet aestheticians from [SkinCare Aesthetics](#), and mingle among our corporate partners who will showcase their state-of-the art products and services. Attendees will also get a chance to win [SkinCare products](#), aesthetic treatments, and cosmetic consultations with our talented dermatologists.

To register for this event, call 617-848-1621 or email event@skincarephysicians.net. For more information about the event, [click here](#).

This event is sponsored by Valeant Pharmaceuticals International, Inc. and Merz Aesthetics.

SkinCare Physicians is a comprehensive, state-of-the-art center for cosmetic and laser surgery, dermatology, dermatologic and skin cancer surgery, and medical aesthetics. The doctors at SkinCare
